

# BEST BRAND OF THE YEAR 2025

Fröling continues to make a sustainable impact in the heating industry, having once again been awarded the title of "Best Brand of the Year" for 2025.

This award, presented in the category of "Heating", highlights the exceptional quality and functionality of Fröling products. It was bestowed by the world's largest innovation award, which recognizes advancements in technology, sport, and lifestyle, honoring brands for the innovative aspects of their products.

## CONTINUOUS EXCELLENCE

Since its inception, Fröling has consistently impressed with its commitment to quality and innovation. The company has been named "Best Brand" multiple times and has garnered numerous awards for excellence in categories such as **High Quality**, **Ease of Use**, **Functionality** and **Ecology**.
