

**Trattamento antibatterico:** il colore Bianco Standard è disponibile anche in formulazione antibatterica: codice colore T9. Ideale per ambienti ospedalieri e ambulatoriali.

**Manutenzione consigliata:**

- Pulire la superficie dei radiatori utilizzando panni morbidi per non graffiare la verniciatura.
- Non utilizzare prodotti chimici per la pulizia che possano intaccare la verniciatura.
- Non utilizzare umidificatori in terracotta porosa.

I colori rappresentati in questa cartella non sono da considerarsi impegnativi.

I diversi processi tecnologici di verniciatura ed i materiali utilizzati per la realizzazione possono non avere una perfetta corrispondenza cromatica con il prodotto consegnato.

L'azienda Irsap si riserva la facoltà di apportare in qualsiasi momento tutte le modifiche ritenute necessarie per il miglioramento del prodotto.

**Antibacterial Paint:** the White standard paint is also available with the antibacterial formulation: colour code T9. Perfect for hospitals and clinics.

**Recommended maintenance:**

- Clean the surfaces of the radiators using soft cloths so as not to scratch the paint.
- Do not use chemical products for cleaning as they could corrode the paint.
- Do not use porous terracotta humidifiers.

The colours represented on this page are not to be considered definitive. The different technological painting processes and the materials used for applying it may not correspond perfectly to the colour tone of the product delivered.

The company Irsap reserves the right to make any modifications it deems necessary for improving the product at any time.
